

SN. 10/668,108

ATTORNEY DOCKET NO. CANO:089

REMARKS

Independent claims 1, 3, 5, and 6 have been amended to correct an obvious typographical error. In particular, the term "tab" inadvertently appears before "sheet being inverted." Indeed, since these claims clearly set forth that the first or second sheet feed device feeds the tab sheets or other sheets other than the tabbed sheets, whichever sheet fed is inverted (not just the tab sheet).

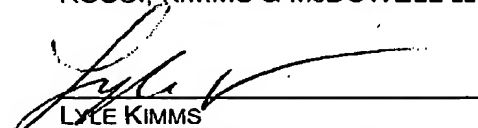

The issue fee has not been paid. This Amendment is submitted to correct minor formal matters, which are needed for proper disclosure or protection of the invention. This Amendment requires no substantial amount of additional work on the part of the PTO. Neither new matter nor new consideration/issue has been presented.

Applicants respectfully request that this Amendment be entered.

Respectfully submitted,

ROSSI, KIMMS & McDOWELL LLP
